

TABLE OF CONTENTS

13. Companies	5
Introduction	5
Top companies in biomarkers	12
Profiles of companies	13
Collaborations	313

Tables

Table 13-1: Companies with focus on biomarkers	5
Table 13-2: Pharmaceutical and biotechnology companies involved in biomarkers.....	5
Table 13-3: Molecular diagnostic companies	6
Table 13-4: Proteomics metabolomic/metabonomic and systems biology companies	8
Table 13-5: Pharmacogenomic/ personalized medicine companies	9
Table 13-6: Companies with biochips, biosensors and imaging technologies	10
Table 13-7: Nanobiotechnology companies.....	10
Table 13-8: Companies involved in drug discovery and development	10
Table 13-9: Bioinformatic companies involved in biomarkers	11
Table 13-10: Service, equipment and reagent supply companies	11
Table 13-11: Top biomarker companies	12
Table 13-12: Collaborations between companies.....	313
